

# OUTDOOR LIGHTING ELECTRIC SERVICE RATE SCHEDULE "OL-29" (FROZEN)

Mississippi Public Service Commission Schedule No. \*12

PAGE 1 of 6	EFFECTIVE DATE June 20, 2022	DATE OF VERSION SUPERSEDED March 21, 2022
----------------	---------------------------------	--

## APPLICABILITY

This rate schedule applies to electric lighting service used by one customer for outdoor lighting, or used by one customer, other than a governmental authority, for lighting of streets and roadways.

## AVAILABILITY

From and after the Effective Date of December 18, 2020, this Rate Schedule shall no longer be available to new customers. Existing customers may replace lighting fixtures installed prior to the Effective Date only with like-kind lighting fixtures if offered under this Rate Schedule but shall not be allowed to select new or different lighting fixtures under this Rate Schedule. All new lighting fixtures other than those "grandfathered" herein, shall be governed by Rate Schedule LED.

This rate schedule is available on a uniform basis throughout service territory of Company where Company is operating a retail electric distribution system from which this lighting service can be furnished by installation of necessary lighting fixtures, control equipment, and control circuit(s).

## CHARACTER OF SERVICE

Lighting service under this rate schedule will be furnished from dusk to dawn with Company owned lighting fixtures, control circuits, and equipment. Such service embraces Company's furnishing, operating, and maintaining lighting fixture, control equipment, and lamps.

The monthly rates set forth below are applicable to the following service conditions:

Standard Fixtures and Post Top Floodlight Fixtures:	The monthly rate is for the fixture mounted on an existing wood pole and served directly from overhead distribution lines.
Decorative Post Top Fixtures:	The monthly rate is for the fixture only and does not include poles or installation of underground service.
Poles:	The monthly rate covers charges for the pole only. The poles are available for use with all Company owned fixtures subject to fixture/pole mounting compatibility.

Monthly charges do not cover the replacement of lamps, fixtures, poles, or wiring damaged or destroyed due to vandalism or willful abuse. Such replacements will be performed by the Company at the Customer's expense.

## MONTHLY KWH

Monthly kWh shall be determined in the following manner:

$$\frac{\text{Total wattage connected for all luminaries including ballast} \times 4,043 \text{ hours}}{1,000 \times 12 \text{ Months}} = \text{Monthly kWh}$$

## FUEL COST RECOVERY CLAUSE

To total of above charges for electric service under this rate schedule, there shall be added an amount determined in accordance with provisions of Company's Fuel Cost Recovery Clause Schedule on file with and approved by the Mississippi Public Service Commission.

## MISCELLANEOUS RATE ADJUSTMENTS

To the total of all of the above charges for electric service under this rate schedule, there shall be added or subtracted any amounts determined in accordance with clauses or plans filed and in effect with the Mississippi Public Service Commission.

## TAX CLAUSE

To the total of all of the above charges for electric service under this rate schedule, there shall be added applicable existing Mississippi state and municipal sales taxes, and any new or additional tax or taxes, or changes in rates of existing taxes, imposed after effective date of this rate schedule by any governmental authority upon service rendered by Company hereunder.

## ORDER OF BILLING

Charges are applied in the sequence they appear in rate schedule: Monthly Charges for Service, Fuel Cost Recovery Clause, Miscellaneous Rate Adjustments, and Tax Clause.

## PAYMENT

Bills rendered under this rate schedule are payable on receipt.

## DEPOSIT

A cash deposit equal to twice estimated maximum monthly bill may be required of customer before service is connected to guarantee payment of all bills.

## TERM OF CONTRACT

Minimum term of service under this rate schedule shall be for a period of three (3) years and continuing thereafter until terminated by notice by either party to other. Minimum term of service for special lighting facilities, which are not inventoried as part of the Company's standard line of lighting products, shall be for a period of ten (10) years and continuing thereafter until terminated by six (6) months' written notice by either party to other.

Service under this rate schedule is subject to service rules of Company.
