Terms & Conditions

- Plug/Charger must be installed at a Mississippi Power customer location.
- All equipment incentivized under this program is subject to visual verification by the Mississippi Power Compliance Organization. If your equipment is selected for a field audit, you will be contacted by a Mississippi Power employee to schedule an appointment. If the field audit reveals the equipment does not meet the requirements, the rebate will not be paid and you may be billed for repayment of the rebate to Mississippi Power if the rebate has already been issued.
- New additions and conversions apply.
- Dealer must apply for incentive within 120 days of sale.
- Mississippi Power reserves the right to modify or cancel the rebate at any time.
