DETERMINATION OF CUSTOMER'S MONTHLY KVA BILLING REQUIREMENT

Customer's on-peak kVA billing requirement each month shall be the greater of (1) the maximum kVA requirement established during on-peak hours, or (2) 75% of the maximum kVA requirement established during on-peak hours during the preceding calendar months of June through September. Customer's excess kVA requirement each month shall be the maximum kVA requirement established during the month less the on-peak kVA billing requirement but not less than zero.

On-Peak hours (Calendar Months):

April through October: Hours between 12:00 noon and 8:00 p.m. local time Monday through Friday.

November through March: Hours between 6:00 a.m. and 10:00 a.m. and between 6:00 p.m. and 10:00 p.m. local time Monday through Friday.

Shoulder Hours (Calendar Months):

June through September: Hours between 10:00 a.m. and 12:00 noon and between 8:00 p.m. and 10:00 p.m. local time Monday through Friday.

All other hours are off-peak hours including all hours during New Year's Day, July 4th, Labor Day, Thanksgiving Day, and Christmas Day.

ADJUSTMENT FOR DELIVERY VOLTAGE

When Company renders service at a transmission voltage (115 kV or higher) available under this rate schedule, customer's billing will be credited 55 cents per month per kVA billing requirement. When service is rendered at an available primary voltage, customer's billing will be credited 25 cents per month per kVA billing requirement.

MINIMUM MONTHLY BILL

The minimum monthly bill will be the base charge plus (the on-peak kVA billing requirement charge times 40% of the contract kVA). The Adjustment for Delivery Voltage above will not apply to the minimum monthly bill.

FUEL COST RECOVERY CLAUSE

To total of above charges for electric service under this rate schedule, there shall be added an amount determined in accordance with provisions of Company's Fuel Cost Recovery Clause Schedule on file with and approved by the Mississippi Public Service Commission. (The Fuel Cost Recovery factor applicable to the LGS rate schedule is applicable to this rate.)

MISCELLANEOUS RATE ADJUSTMENTS

To the total of all of the above charges for electric service under this rate schedule, there shall be added or subtracted any amounts determined in accordance with clauses or plans filed and in effect with Mississippi Public Service Commission.

TAX CLAUSE

To total of all of above charges for electric service under this rate schedule, there shall be added applicable existing Mississippi state and municipal sales taxes, and any new or additional tax, or taxes, or increases in rates of existing taxes, imposed after effective date of this rate schedule by any governmental authority upon service rendered by Company here under.

ORDER OF BILLING

Charges are applied in the sequence they appear in rate schedule: Monthly Rate for Secondary Service, Adjustment for Delivery Voltage, Minimum Monthly Bill, Fuel Cost Recovery Clause, Miscellaneous Rate Adjustments, and Tax Clause.

HURRICANE KATRINA SECURITIZATION BOND DEBT RECOVERY

Pursuant to MPSC Order dated May 22, 2007 in Docket No. 06-UA-0352, a System Restoration Charge (Monthly Charge) shall be added to the total of the above charges for electric service under this rate schedule. The Monthly Charge is for the collection of the principal and interest associated with the State bonds issued under the provisions of the Hurricane Katrina Electric Utility Customer Relief and Electric Utility System Restoration Act and will be remitted by the Company to the State by the 20th of each month. The Monthly Charge will continue to be applicable even if a customer elects to purchase electricity from an alternative supplier following a fundamental change in regulation of public utilities in Mississippi. Application of the Monthly Charge will cease upon complete retirement of the related System Restoration Bonds.

PAYMENT

Bills rendered under this rate schedule are payable on receipt.

DEPOSIT

A cash deposit equal to twice the estimated maximum monthly bill may be required of customer before service is connected to guarantee payment of all bills.

TERM OF CONTRACT

The contract term is for five (5) years and continues thereafter until terminated by twelve (12) months written notice by either party to the other. Customer has the option at any time after 12 months billing under this schedule to switch to the LGS tariff and complete the remainder of the contract term under the applicable LGS tariff available at the time.

Service under this rate schedule is subject to service rules of Company.
