### APPLICABILITY

This rate schedule applies to electric lighting service used by one customer for outdoor lighting, or used by one customer, other than a governmental authority, for lighting of streets and roadways.

### AVAILABILITY

This rate schedule is available on a uniform basis throughout service territory of Company where Company is operating a retail electric distribution system from which this lighting service can be furnished by installation of necessary lighting fixtures, control equipment, and control circuit(s).

### CHARACTER OF SERVICE

Lighting service under this rate schedule will be furnished from dusk to dawn with Company owned lighting fixtures, control circuits, and equipment. Such service embraces Company's furnishing, operating, and maintaining lighting fixture, control equipment, and lamps.

The monthly rates set forth below are applicable to the following service conditions:

- |   |  |
|---|--|
| Standard Fixtures and Post Top Floodlight Fixtures: | The monthly rate is for the fixture mounted on an existing wood pole and served directly from overhead distribution lines.   |
| Decorative Post Top Fixtures:                       | The monthly rate is for the fixture only and does not include poles or installation of underground service.  |
| Poles:  | The monthly rate covers charges for the pole only. The poles are available for use with all Company owned fixtures subject to fixture/pole mounting compatibility. |

Monthly charges do not cover the replacement of lamps, fixtures, poles, or wiring damaged or destroyed due to vandalism or willful abuse. Such replacements will be performed by the Company at the Customer's expense.

## CHANGES IN COMPANY LIGHTING COMPONENTS

From time to time the Company will make changes to its lighting component offerings available under this rate schedule. New offerings will be priced under the Company's Formulary Lighting Charge Schedule and made a part of this Rate Schedule, including all terms and conditions hereunder. In addition, the Company may freeze the availability of and/or withdraw lighting components noted in this Schedule. The Company will notify the Mississippi Public Service Commission in writing of all such modifications and will update this Schedule on an annual basis to reflect such changes. Customers should contact the Company regarding the availability of its lighting components provided under this Rate Schedule.

## MONTHLY KWH

Monthly kWh shall be determined in the following manner:

$$\frac{\text{Total wattage connected for all luminaries including ballast} \times 4,043 \text{ hours}}{1,000 \times 12 \text{ Months}} = \text{Monthly kWh}$$

## FUEL COST RECOVERY CLAUSE

To total of above charges for electric service under this rate schedule, there shall be added an amount determined in accordance with provisions of Company's Fuel Cost Recovery Clause Schedule on file with and approved by the Mississippi Public Service Commission.

## MISCELLANEOUS RATE ADJUSTMENTS

To the total of all of the above charges for electric service under this rate schedule, there shall be added or subtracted any amounts determined in accordance with clauses or plans filed and in effect with the Mississippi Public Service Commission.

## TAX CLAUSE

To total of all of above charges for electric service under this rate schedule, there shall be added applicable existing Mississippi state and municipal sales taxes, and any new or additional tax, or taxes, or increases in rates of existing taxes, imposed after effective date of this rate schedule by any governmental authority upon service rendered by Company hereunder.

## ORDER OF BILLING

Charges are applied in the sequence they appear in rate schedule: Monthly Charges for Service, Fuel Cost Recovery Clause, Miscellaneous Rate Adjustments and Tax Clause.

## HURRICANE KATRINA SECURITIZATION BOND DEBT RECOVERY

Pursuant to MPSC Order dated May 22, 2007 in Docket No. 06-UA-0352, a System Restoration Charge (Monthly Charge) shall be added to the total of the above charges for electric service under this rate schedule. The Monthly Charge is for the collection of the principal and interest associated with the State bonds issued under the provisions of the Hurricane Katrina Electric Utility Customer Relief and Electric Utility System Restoration Act and will be remitted by the Company to the State by the 20<sup>th</sup> of each month. The Monthly Charge will continue to be applicable even if a customer elects to purchase electricity from an alternative supplier following a fundamental change in regulation of public utilities in Mississippi. Application of the Monthly Charge will cease upon complete retirement of the related System Restoration Bonds.

### PAYMENT

Bills rendered under this rate schedule are payable on receipt.

### DEPOSIT

A cash deposit equal to twice estimated maximum monthly bill may be required of customer before service is connected to guarantee payment of all bills.

### TERM OF CONTRACT

Minimum term of service under this rate schedule shall be for a period of three (3) years and continuing thereafter until terminated by notice by either party to other. Minimum term of service for special lighting facilities, which are not inventoried as part of the Company's standard line of lighting products, shall be for a period of ten (10) years and continuing thereafter until terminated by six (6) months' written notice by either party to other.

Service under this rate schedule is subject to service rules of Company.
