PAGE 1 of 1	EFFECTIVE DATE June 18, 2025	DATE OF VERSION SUPERSEDED June 20, 2022

APPLICABILITY

This rider schedule is supplemental to the Company's standard residential rate schedule and modifies the electric service billing to residential customers qualified to receive service under this rider.

QUALIFICATION

To be eligible for this rider, a customer must meet the following qualifications:

1. Participant must be certified by the Mississippi Department of Human Services as a current recipient of Supplemental Security Income (SSI) or Temporary Assistance for Needy Families (TANF).
2. Electric service must be in the name of the person certified by the Mississippi Department of Human Services as receiving SSI or TANF.
3. Prior to receiving service under this rider, the participant must have been a residential customer of the Company for the previous consecutive three (3) months.
4. The participant's electric service account with the Company must be current.
5. Only one (1) electric service account per certified SSI or TANF recipient will be allowed under this rider.

MONTHLY RATE FOR SECONDARY SERVICE

A base charge credit in the amount of \$1.14 per day shall be applied to customers to whom this rider is applicable. All other provisions of the Residential Rate Schedule remain in effect.
