Smart Thermostat Rebate for Commercial Customers

REBATE TERMS AND CONDITIONS

- Smart Thermostat must be Energy Star certified to qualify for rebate.
- Rebate up to \$100 per device will not exceed 100% of the purchase price, taxes and installation (excludes shipping).
- Thermostat(s) must be installed in a commercial facility, with peak demand less than 500 kW, receiving Mississippi Power commercial electric service.
- Purchased new. Resale thermostats or a smart thermostat that is leased, rebuilt, rented, received from insurance claims, received from a warranty, received with reward points or won as a prize do not qualify.
- This application must be completed entirely for rebates to be paid.
- All rebate applications must be received within 60 days of the purchase date or installation date. Reimbursement will be applied as a credit on the customer's Mississippi Power account which may take up to 60 days.
- This program has limited funding. Reimbursements are available on a first-come, first-served basis

SIGNATURE

By signing below, purchaser authorizes Mississippi Power to perform on-site inspections as needed to confirm installation. Purchaser confirms they are a Mississippi Power customer and all information on this application is accurate.
