Terms & Conditions

- Rebates are only for Mississippi Power active accounts.
- Vehicle must be registered in Mississippi.
- Eligibility for customer-use vehicles only; not available for vehicles intended for resale.
- All electric vehicle chargers installed under this program are subject to visual verification by the Mississippi Power Compliance Organization. If your EV charger installation is selected for a field audit, you will be contacted by an Mississippi Power employee to schedule an appointment. By signing and submitting this rebate request you agree to provide Mississippi Power reasonable access to the installation site during normal business hours. If the field audit reveals that the EV charger has not been installed the rebate will not be paid and you may be billed for repayment of the rebate to Mississippi Power if the rebate has already been issued.
- Customer must apply for rebate within 120 days of vehicle purchase/lease.
- Fuel cell vehicles, electric bicycles, electric motorcycles, electric scooters and neighborhood vehicles are not eligible for rebates.
