

# NON-STANDARD METER RIDER SCHEDULE "NSM"

Mississippi Public Service Commission Schedule No. 61

PAGE	EFFECTIVE DATE	DATE OF VERSION SUPERSEDED
1 of 1	October 26, 2018	Original

## APPLICABILITY

This rider schedule applies to residential customers of the Company that decline the Company's installation of Advanced Metering Infrastructure ("AMI") metering equipment for which an AMI meter is the standard ("Opt-Out Customer"). Service under this schedule shall be provided with a non-standard non-communicating meter of the Company's choice and will require access to the premises to read the meter each month.

## AVAILABILITY AND KIND OF SERVICE

Service under this rate schedule is available on uniform basis throughout service territory of Company.

## CHARGES

Customers receiving service under this rider will be charged an Enrollment Charge and a recurring Monthly Charge. The Enrollment Charge is an initial lump sum payment per account. All other charges and provisions of the rate schedule under which the customer takes service shall apply.

Enrollment Charge: \$286.00

Monthly Charge: \$44.00

These charges represent the Company's actual costs associated with implementing and maintaining a non-standard system for billing, a meter replacement and the manual monthly meter reading and of a customer on under this rate.

## OTHER TERMS

Customers transferring service to a different premises and wishing to remain as an Opt-Out customer in the new location must make a new request for service under this rider for the new location at the time of the transfer. This transfer of service will not require payment of an additional Enrollment Charge for the new account unless a meter replacement is required. Customers who cancel service under this rider and then later re-enroll for any location would be required to submit another Enrollment Charge.
