Terms & Conditions

- Must be a Mississippi Power customer.
- All equipment incentivized under this program is subject to visual verification by the Mississippi Power Compliance Organization. If your equipment is selected for a field audit, you will be contacted by a Mississippi Power employee to schedule an appointment. If the field audit reveals the equipment does not meet the requirements, the rebate will not be paid and you may be billed for repayment of the rebate to Mississippi Power if the rebate has already been issued.
- Customer must apply for rebate within 120 days of installation date.
- Mississippi Power reserves the right to modify or cancel the rebate at any time.
- Dual charger with two independent electrical circuits qualifies for two rebates.
- Dual charger with one circuit (power sharing) qualifies for one rebate.
